Sunday, Dec. 9 - We will depart for Newport to enjoy a day of Seasonal Beauty and Christmas Cheer. Our first stop will be the **Breaker's Mansion**. The Breakers, a National Historic Landmark and icon of the Gilded Age in America will be filled with poinsettias, fresh flowers, evergreens and wreaths. Numerous decorated Christmas trees, reflecting individual room décor, anchor many of the magnificent spaces. Dining tables set with period silver and china complete the elegant setting. Windows of each mansion are lit with individual white candles, in keeping with the colonial tradition. After our visit we will enjoy a **luncheon and performance of *Saving Grace* at the Newport playhouse**. The dinner theatre is unique...enjoy a great buffet--a wonderful play and a fun-filled cabaret. Their extensive, hearty buffet does not skimp on quality or selection. Everything is prepared on the premises. They offer a large variety of hot and cold foods, main entrees, side dishes, beverages and homemade desserts.

The intimate theatre is just a short stroll from the dining room. There you will have reserved seating to enjoy *Saving Grace*. This zany tale of a warmhearted girl who mistakes a telephone repairman for a burglar, tries to convert him from his life of crime, and ends up having to pretend he's her husband, dismaying her strait-laced sister's evangelist fiancé, had critics and audiences cheering both at the Maryland and the Chicago premier productions.

Then it is back to your original table where the dining room has been transformed into a delightful Cabaret where our Company Members continue to entertain you with songs and laughter.
