## Upcoming Events

### IORG Summer Party - July 10th

Although this initially started as a Pledge Event, it has been opened up to the whole state! All ages are invited to a day of play and friendship at an outside park. Please think about who you could invite to this event - Do you have Majority members who have young daughters? Is there someone in your neighborhood who is ready to meet some new friends? How about younger girls at church or school? Let's get these younger girls excited about IORG! It's also a great time to connect with your friends throughout the state, let's have a great day to celebrate summer and IORG!

### From our Grand Lecturer

Your friendship is special  
Like the flowers that bloom,  
Or when a butterfly emerges  
From within its cocoon ...

You remind me of that butterfly,  
Loving and free,  
Bright and colorful,  
For the world to see ...

We will share sunshine and rainbows;  
Sometimes, the rain and the snow;  
We'll stand together through it,

While the winds blow ...

When the time is right,  
We won't stop to ask "Why?"  
Our friendship will take flight  
On the wings of a butterfly ...

-Corky Ferguson

I chose this poem because it reminds me of all of the life long friends I have made at Rainbow. It reminds me that they will be there for me through the thick and thin. When you read this poem think about your friends and share this poem with them.
