

Message from Board of Directors regarding the Coronavirus Pandemic

Sisters and Brothers, based on guidance from the State Government and concern for our members health, we had to make some difficult decisions. Chapter Secretaries were notified yesterday of two mandates from the WGM, Jennifer L. Willich and Madolyn E. Morgan, President of the Board of Directors, that all Chapter Meetings are suspended effective midnight, Tuesday, March 17, 2020, until further notice and the Grand Chapter Session has been Cancelled.

We realize you may have several questions regarding these mandates. We would appreciate that you contact your Chapter Secretaries with these questions. Chapter Secretaries, if you cannot answer questions, please consolidate and submit them to the Grand Secretary with the following in the subject Line, "Questions on Mandates". Please give us time to effectively answer your questions.

We are working on notifying our Sister Jurisdictions and sending refunds out.

We appreciate your patience and will send out additional communication as we work through the details.

Thank you,

Madolyn E. Morgan, PGM
President of the Board of Directors
